About EURORDIS

The European Organisation for Rare Diseases (EURORDIS) represents more than 300 rare disease organisations in 34 different countries, covering more than 1,000 rare diseases. It is therefore the voice of the 30 million patients affected by rare diseases throughout Europe.

EURORDIS is a non-governmental patient-driven alliance of patient organisations and individuals active in the field of rare diseases, dedicated to improving the quality of life of all people living with rare diseases in Europe. It is supported by its members and by the French Muscular Dystrophy Association (AFM), the European Commission and private donors. Further details concerning EURORDIS and rare diseases are available at: <http://www.eurordis.org>
